

Kingston Road & Manderley Drive COMMUNITY UPDATE

Core Development Group is proposing a new mixed-use residential and retail development at the northwest corner of Kingston Road and Manderley Drive.

Over the last few months, we have been working hard to ensure that the urban design principles derived from our community consultation meetings and workshops have been considered for our development project.

Please join us on **Thursday, April 5 from 6:30 - 8:30 pm at St. Nicholas Birch Cliff Anglican Church** for a community update, where we will showcase our revised design concept, progress to date, and next steps. Any and all are welcome to attend. Refreshments will be served.
